## You're Invited to a Neighborhood Meeting

Sunday, April 2, 1989

2-5 pm

St. Joseph's Church

Corner of Hope & Church Streets

Refreshments served

Whether you're a longtime resident or a newcomer, this is a good opportunity to get to know more about your neighbors. We can talk about the things we like, and things we want to change. Downtown development is going to affect us. By working together, we can ensure that this development will affect us in a positive way. Come to the meeting and help make the Old Mountain View Neighborhood Association a real force.
