RE: Prometheus' Gatekeeper Application for Minton's Lumber Site

Dear Members of the City of Mountain View City Council:

I would like to communicate to you Old Mountain View Neighborhood Association's support for Prometheus Real Estate Group's Gatekeeper application for the proposed apartment development on the site of Minton's Lumber property at 455 W. Evelyn Ave.

Our Steering Committee met with Prometheus representatives and discussed schematic plans for the development. While many details still need to be fleshed out, discussed, and evaluated, we believe that the proposed project can benefit our city and neighborhood and certainly merits a full evaluation by City staff accompanied by participation and input from residents.

We look forward to learning more about the project's details and to participating in its evaluation process.

Sincerely,

Noam Livnat

OMVNA Chair
